PROFILE

I am eager to start my professional journey, showcasing expertise in backend and frontend development while delivering high-quality, timely results. My goal is to expand my skills and contribute to creating efficient, user-friendly solutions.

PROJECTS

Portfolio

https://priyanshi-paghadal.github.io/Portfolio/

My portfolio showcases a range of projects, including a Node.js Admin Panel, JavaScript Add-to-Cart and Calculator, and websites built with HTML, CSS, Bootstrap, and Tailwind CSS, highlighting my technical versatility.

GitHub

https://github.com/Priyanshi-Paghadal

My GitHub hosts code for JavaScript and Node.js projects, including form validation, CRUD operations, and private routes, demonstrating my practical experience and commitment to efficient coding.
