PROFILE

I am eager to start my professional journey, showcasing expertise in backend and frontend development while delivering high-quality, timely results. My goal is to expand my skills and contribute to creating efficient, user-friendly solutions.

PROJECTS

Node Js Admin Panel

https://github.com/Priyanshi-Paghadal/Node-Js/tree/master/Admin_panel

I built a secure admin panel using Node.js, Express.js, MongoDB, and bcrypt authentication, featuring NodeMailer, EJS templating, and product CRUD operations.

Javascript Add To Cart

https://github.com/Priyanshi-Paghadal/JAVASCRIPT/tree/main/add-to-cart/3733_priyanshi_cart/3733_priyanshi_cart

This Add to Cart Project lets users add products to a cart with real-time updates, using JavaScript for dynamic functionality and data persistence.

Portfolio

https://priyanshi-paghadal.github.io/Portfolio/

My portfolio showcases projects like a Node.js to-do app, JavaScript form validation, and responsive websites, highlighting my technical skills and versatility.
