PROFILE

I am eager to start my professional journey, showcasing expertise in backend and frontend development while delivering high-quality, timely results. My goal is to expand my skills and contribute to creating efficient, user-friendly solutions.

PROJECTS

Node Js Admin Panel

[Admin Panel](#)

I built a secure admin panel using Node.js, Express.js, MongoDB, and bcrypt authentication, featuring NodeMailer, EJS templating, and product CRUD operations.

Javascript Add To Cart

[Add To Cart](#)

This Add to Cart Project lets users add products to a cart with real-time updates, using JavaScript for dynamic functionality and data persistence.

Portfolio

[Portfolio](#)

My portfolio showcases projects like a Node.js to-do app, JavaScript form validation, and responsive websites, highlighting my technical skills and versatility.
